

## **FAN CASINGS**

## **CUSTOMIZED CASINGS FOR COMPLETE AXIAL FANS**

## Customized cilindrical casing for complete axial fans

Customized cylindrical casing for complete axial fans

## Casing:

Short or long casing made of steel sheet, with fixing flanges.

The casing can be treated with epoxy paint to prevent corrosion and rust.

AISI Inox 304-316 available upon request.

Depending on the casing length, the motor can be totally (long-casing) or partially (short-casing) inside the casing (see Dimensions).
