

HW VENTILATION DEBUTS AT AHR EXPO 2025: SHOWCASING INNOVATION AND EXPANDING INTO THE U.S. MARKET

VISIT US IN ORLANDO, FL FEB 10/12, BOOTH #9104

Orlando, FL, 10/02/2025

HW Ventilation is excited to announce its debut as an exhibitor at the prestigious **AHR Expo 2025**, taking place from **February 10 to February 12** at the **Orange County Convention Center in Orlando, Florida**. As the premier event for HVACR professionals, AHR Expo serves as a global hub for innovation, networking, and business opportunities.

This marks a significant milestone for HW Ventilation, coinciding with the launch of our new **U.S. subsidiary, HW Ventilation North America**, which underscores our commitment to serving the American market with cutting-edge air-moving solutions.

Visitors can find HW Ventilation at **Stand #9104**, where our team will be available to discuss our products and services and provide insights into our **latest innovations for HVACR applications**. We're eager to demonstrate how our advanced **axial impellers and fans**, as well as our **AMCA 210 testing services**, can help improve efficiency and performance across a variety of industrial and commercial settings.

"This is an exciting moment for us," says Paolo Simonetta, CEO at HW Ventilation. "Exhibiting at AHR Expo allows us to showcase our expertise to a global audience while highlighting our expanded presence in the U.S. market. We look forward to connecting with industry professionals and demonstrating how our solutions align with the latest trends and needs in HVACR."

We warmly invite all attendees to stop by **Stand #9104** to learn more about our offerings, explore our products, and meet the passionate professionals driving HW Ventilation's growth.
